Christiana Care Health System to Host Free Bariatric (Weight Loss) Surgery Information Seminar at Concord Health Center

(CHADDS FORD, PA – Sept. 5) Christiana Care Health System will host a free bariatric, (weight loss) surgery information seminar from 6 p.m. to 7:30 p.m. on Thursday, September 25, in the Community Room at the Concord Health Center on 161 Wilmington-West Chester Pike, Chadds Ford, PA 19317.

A bariatric surgeon and Christiana Care Weight Management Center staff can discuss whether weight loss surgery is the right choice for you and they are available to answer any questions regarding the latest procedures.

Christiana Care offers weight loss surgery and is an accredited center with the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program (MBSAQIP), a joint program of the American College of Surgeons and the American Society for Metabolic and Bariatric Surgery.

Seating is limited to 40 attendees maximum, so pre-registration for the seminar is required. For more information or to register, please call 800-693-CARE (2273), or www.christianacare.org/weightlossurgeryseminar

About Christiana Care Health System

Christiana Care Health System is one of the country's largest health care providers, ranking as the 22nd leading hospital in the nation and 12th on the East Coast in terms of admissions. A not-for-profit teaching hospital affiliated with Thomas Jefferson Medical College, Christiana Care is recognized as a regional center for excellence in cardiology, cancer and women's health services. Christiana Care is home to Delaware's only Level I trauma center, the highest capability center and the only one of its kind between Philadelphia and Baltimore. Christiana Care also features a Level III neonatal intensive care unit, the only delivering hospital in Delaware that offers the highest level of non-surgical care to the most critically ill newborns. Christiana Care includes two hospitals with 1,100 patient beds, a home health care service, preventive medicine, rehabilitation services, a network of primary care physicians and an extensive range of outpatient services.
